

Elizabeth Thomas
Director, Business Development
Office of Communications and Marketing

Elizabeth Thomas is the Director of Business Development at the Export-Import Bank of the United States (EXIM) where she educates small businesses on programs to help them grow their businesses through exporting. Prior to joining EXIM Bank, Ms. Thomas held a number of sales, marketing and health-policy leadership positions in the U.S., Europe and Asia working with Hewlett-Packard Company, InTouch Health and other high tech companies in the areas of wearable smart fabrics, robotic telemedicine and medication lifecycle tracking for hospitals. Ms. Thomas received her MBA at the Emory University Goizueta Business School.
