

## BRIEF RESUMÉ

**Mr Godinho Alves** has just joined the Embassy of the Republic of Mozambique to the United States of America, as Commercial Counselor.

Prior to his posting at the Embassy, he served as **Deputy Director General** of the Investment Promotion Centre (CPI) for about 7 years (2010-2017). CPI is a government agency tasked with the promotion and facilitation of trade and foreign direct investment in Mozambique.

He also served as **Commercial Attaché** at the High Commission of the Republic of Mozambique to the Republic of South Africa (2000 to 2010).

From 1996 to 1999, he was **Head of Investment Promotion and Facilitation Division** at the Investment Promotion Centre (CPI).

Mr. Alves has vast experience on trade and investment related matters, such as Bilateral Investment Treaty Negotiation, the Development of Special Economic Zones (SEZ) and negotiation of Public Private Partnership Projects.

He holds a degree in Economics by Eduardo Mondlane University in Mozambique (1992);
